4. Stamp your sentiment in Misty Moonlight on a scrap of Basic White cardstock, and punch out using the Label of Love punch. Then, stamp some flowers in Fresh Freesia.
5. Punch out a piece of designer paper using the same punch.
6. Cut out a white flower and Old Olive leaf.
7. To assemble:
 1. Add a thin line of liquid glue on the front of the Misty Moonlight cardbase--all the way around the cut out. Add your window sheet.
 2. Now, adhere one of your Fresh Freesia frames to the front of the cardbase--making sure none of blue shows.
 3. Turn it over, and add the other Fresh Freesia frame to the back side of the card--so it looks pretty on both sides!
 4. Glue your sentiment on the front of the window sheet. Then, glue the punched out designer paper to the back.
 5. On your Fresh Freesia card base, adhere the stamped piece of Basic White on the left side. Add the Fresh Freesia pattern on the right side. Add the flower and leaf to the designer paper. The center of the flower is "stamped" with a sponge dauber.
 6. Fold the card, and adhere to the inside of your Misty Moonlight cardbase. On the front of the Fresh Freesia card base, adhere your floral pattern of designer paper.
8. Add some fun Charming Shimmer gems to front of card!
