Instructions:

1. Stamp the bike image in Flirty Flamingo Ink onto the 4" x 2 3/4" piece of Basic White. Then stamp the "thank you" in Basic Black Hybrid ink just below the bike.
2. At the Cut & Emboss Machine, cut out the Bike image using the Sweet Words & Labels Dies, cut out the Bike image, the colored DSP and two in Basic Black. See picture for the sizes!
3. To assemble the card:
 1. Adhere one piece of the black & white pattern DSP to the right side of your 5 1/4" x 4" piece of Basic White cardstock. Adhere the other piece of DSP to the left front flap of the card.
 2. Stamp the flowers on the lower half of the white, using Pool Party Ink.
 3. Adhere your 5 1/2" x 1 1/2" piece of Basic Black to the back of the Basic White panel. The 2" side should be glued to the right side, in the center of the panel.
 4. Fold your card so that the Basic Black "flap" is over the left side of the closed card. Adding glue to just the strip, adhere one of the Basic Black die cuts--centering it on your card front.
 5. Now open up the flap, and adhere the 2nd Basic Black die cut to the back of the flap--lining it up with the first die cut. This hides the end of the flap.
 6. Now, add the DSP die cut and the stamped die cut to the front of the flap. (see pic)
 7. Embellish with the Array of Dots Embellishments.
